

Dear Sirs:

I wanted to give my comments about K-LOVE, heard on 105.5 in my home town of Chandler AZ. This is the one and only radio station I listen to. Because it is, this is the one place I get weather alerts and Amber alerts, as well as community events that are free to the public in my area.

Frankly, before I found K-LOVE in my area, I didn't listen to radio at all, choosing to listen to Christian CD's alone. I enjoy the updates and news I hear while listening to my preferred type of music on 105.5 K-LOVE.

I enjoy the connection I have with other listeners all over the country. I just returned from a trip to Oregon, and I listened to K-LOVE there and felt at home. I can't imagine the loss this community would feel if K-LOVE was not on the air. Where else can I be assured of quality, clean, unoffensive programming for my children and myself?

K-LOVE isn't trying to sell me something, promote a candidate or product. They play uplifting music that teaches moral values.

I can't imagine anything that is more needed in my community of Chandler, AZ.

I would be absolutely disgusted if it were replaced by any other station.

Sincerely, Jane Cook
